DISCUSSION & INSIGHTS

How to develop a Partner Ecosystem: Implement a plan to create your ideal partner ecosystem to increase revenue and build your business

Expand your knowledge of ecosystem strategy: Identifying partner types, maximizing your ecosystem with automation.

How to create and maintain an effective Partner Ecosystem: Understanding and leveraging the new metrics for your ecosystem and harnessing the power of Partner LifeTime Value®

WHAT PEOPLE ARE SAYING ABOUT PEB?

"Most presenters say, 'I want this to be a collaborative conversation' – well, this actually was. The value was tenfold, coming from both the material presented and the attendee contribution and discussion."

"Thank you for bringing such great people together! I learned so many best practices from the material and other participants."

"This workshop helped me to think more deeply about how to develop and present value in partnerships."
